Alterant 28L

Volume:

- 28 Liters (1710cu-in)

Organization:

- 4 Main Compartments
 - Front Zippered compartment
 - Main pack compartment
 - Easy access zippered sleeve for laptop or hydration bladder
 - Removable frame sheet and padding sleeve.
- 2 external side pockets
- 2 zippered hip strap pockets

Straps:

- Shoulder and hip straps are adjustable from both ends, to allow a perfect fit in all configurations
- Hip straps are removable, and attach to either the frame or the pack
- 0.6cm (1/4") ventilated foam for comfort and breathability

Sizing:

- The backpack is one size fits all. The Mainframe that comes with the pack is sized small to large as listed above.

Weight:

- Min: 440g (0lbs, 15.5oz)
- Max: 1125g (2lbs, 7.7oz)
- The weights are tabulated for each configuration shown below. All weights are using a size Medium Mainframe, weights will vary for size small and large. Note that the pack comes with a removable back padding sheet and a removable frame sheet. Only the far right configuration has the sheets removed, but the 225g sheets could be removed from any configuration to save weight.

1125g (2lbs, 7.7oz)

1015g (2lbs, 3.8oz)

775g (1lbs, 11.3oz)

665g (1lbs, 7.5oz)

440g (0lbs, 15.5oz)
